

Supporting Kids & Families During & Beyond COVID

Tuesdays 8-9am

5th May – 23rd June (weekly)

Diverse teams contributing knowledge to solve complex problems

Children's Health Queensland is committed to supporting our network of partners to ensure continuity of care and service delivery to children, young people and families through the COVID-19 pandemic.

Join this network for weekly online, interactive support and guidance from your co-participants and a panel which includes mental health, child development, and social work experts.

Meetings occur via Zoom. Active participation is valued and we encourage you to bring a particular child's case or a workplace problem to discuss.

Topics:

COVID overview

Coping with the pandemic

Understanding and re-defining vulnerability

Anxiety – teacher, parent and child

Identifying and supporting psychosocial risk in children and families

Talking with children about illness and loss
